---

Good afternoon Yvonnilda,

We are in agreement to extend the expert report deadline to this Friday, October 9, 2020 at 5:00 pm. We understand delays that may arise with COVID; however, we have been requesting medical records since June. It is now been 4 months since our initial request and Plaintiffs have provided no medical records of the 14 physicians, healthcare providers, or the like noted in their discovery responses. Furthermore, a majority of Plaintiffs' discovery responses (of which extensions were also agreed to) remain unanswered due lack of these same medical records.

Thank you,

Melissa M. Goins, Attorney

Melissa -

Tomorrow is the deadline for me to submit expert reports. I am writing to see if you all agree or are opposed to an extension to that deadline. I will agree to an equal extension of time for you all to submit expert reports. I would like to request a months extension. The reasons I will offer are my health (I am trying a new medication prescribed by the specialist but need time to see if it will work) and the difficulty to get records because of COVID. Do you all agree?

Yvonnilda
